## MERCHANDISE MARKS

*New Delhi, the 12th November 1956*

No. 301(6)-Tr. (MM)/48.—The following draft of further amendment to the Notification of the Government of India in the late Department of Finance and Commerce No. 1474, dated the 13th November 1891, which it is proposed to make in exercise of the powers conferred by Section 16 of the Indian Merchandise Marks Act, 1889 (IV of 1889), is published for the information of all persons likely to be affected thereby and notice is hereby given that the draft will be taken

into consideration on or after the 16th January 1957. Any objection or suggestion which may be received from any person with respect to the said draft before the date specified will be considered by the Central Government.

#### Draft Amendment

For part V(i) of the said Notification, the following shall be substituted, namely:—

- “(i) For all threads (of cotton, wool, flax or silk) in units of 100 yards or less, a trade description of length or weight shall not be deemed to be false in material respect unless the length or weight in individual units is over

10% below the average length or weight of the units in the smallest packet or box. In the case of threads in units of more than 100 yards, the length or weight in individual units shall not be over 5% below the average length or weight of the unit in the smallest packet or box.

Provided that the total actual length or weight of the units in the smallest packet or box, in the case of units of 100 yards or less, is not over 3% below the declared length or weight and, in the case of units of more than 100 yards, not over 2% below the declared length or weight.”

SUBJECT:—*Establishment of the All India Institute of Medical Sciences*

No. 17-34/56-P.(H.II).—In exercise of the powers conferred by sub-Section I of Section 3 of the All India Institute of Medical Sciences Act, 1956 (No. 25 of 1956) the Central Government hereby appoints the 15th day of November, 1956, as the date with effect from which the All-India Institute of Medical Sciences shall be established for the purposes of the Act.

New Delhi-2, the 7th November 1956

No. F.12-88/56-D.—The question of the preparation of National Formulary of Medicines has been engaging the attention of the Government of India for some time. As a result of the large scale use of costly patent and proprietary medicines, both imported and locally produced, the treatment of diseases has become very costly. This has also been responsible for raising the Nation's Drug Bill and for the unwholesome practice of Self medication. It is, therefore, necessary to prepare a National Formulary containing a list of certain essential combinations which only should be allowed to be imported or manufactured in the country. The Government of India are accordingly pleased to constitute for the purpose, a Committee to be known as the "National Formulary Committee", composed of the following members, for a period of six months in the first instance:—

1. Dr. B. B. Yodh, Professor of Postgraduate Medicine, Grant Medical College, 18, Darabsha Road, Bombay.—*Chairman*.
2. Dr. B. B. Bhatia, Professor of Medicine, Lucknow University.
3. Dr. K. K. Sen Gupta, 48/1-B Beadon Street, Calcutta.
4. Dr. C. S. Patel, F.R.C.S. (Eng), President, Medical Council of India.
5. A representative of the Pharmacy Council of India.
6. Dr. B. Shah, Deputy Development Officer, Development Wing, Ministry of Commerce & Consumer Industries, New Delhi.

7. Shri P. M. Nabar, Drugs Controller, (India).

8. Shri S. K. Borkar, Deputy Drugs Controller, (India). MEMBER-SECRETARY.

2. The Committee shall have the power to form sub-committees when required and also to co-opt experts as and when necessary on such sub-committees.

3. The Committee shall meet at such places as it may decide and as often as may be necessary.

4. The members will not be paid any remuneration but shall be entitled to travelling and daily allowances as admissible under the rules for attending meetings.

New Delhi, the 13th November 1956

**No. 19(13)/56-DW.VI.**—Consequent on the formation of the Andhra Pradesh under the States Re-organisation Act, 1956 with effect from 1st November, 1956, it has been decided in consultation with the Government of Andhra Pradesh to reconstitute the existing Nagarjunasagar Control Board, which was set up under Government of India, Ministry of Irrigation and Power Resolution No. DW.IV-15(1)/55, dated the 17th June, 1955.

#### CONSTITUTION AND FUNCTIONS OF THE NAGARJUNASAGAR CONTROL BOARD:

2. The Nagarjunasagar Control Board will consist of the following:—

- (i) Chief Minister of Andhra Pradesh.—*Chairman.*
- (ii) Minister of Finance, Andhra Pradesh.—*Member.*
- (iii) Minister of Irrigation, Andhra Pradesh.—*Member.*
- (iv) Secretary, Ministry of I. & P., Government of India or alternate nominated by him.—*Member.*
- (v) Joint Secretary, Min. of Finance, Government of India or alternate nominated by him.—*Member.*
- (vi) Chairman, C.W. & P.C. or alternate nominated by him.—*Member.*
- (vii) The Administrator, Nagarjunasagar Project.—*Member.*
- (viii) Chief Engineer, Nagarjunasagar Dam.—*Member.*

The Board will be assisted by a whole-time Secretary, a Financial Adviser-cum-Chief Accounts Officer and such other staff as may be necessary with headquarters at Hyderabad till otherwise decided by the Board.

3. It will be the function of the Board to ensure efficient, economical and early execution of the Nagarjunasagar Project. The Control Board will be in overall charge of the project including its technical and financial aspects. The actual work of construction will be carried out under the direction of the Control Board by the Chief Engineers for the Dam and Canals. The State Government will also appoint such other officers and staff as may be considered necessary by the Board for the execution of the Project. The Administrator already appointed by the Government of India will continue to function as before. This officer will work in close liaison with the Chief Engineers and the Revenue authorities of the State Government and will advise and assist them in overcoming difficulties that may arise in the course of the execution of the project. He will ensure *inter alia*, that there is no delay in (i) land acquisition; (ii) localisation of 'ayacut'; (iii) preparation of record or rights; and (iv) rehabilitation of displaced persons and other cognate matters. He will also advise the State Government on the economic aspects of the project as the work progresses and will ensure that progress on the engineering and developmental aspects is properly co-ordinated and that there is no time lag between the completion of the dam and the utilisation of benefits.

4. Adequate powers will be delegated by the State Government to the Administrator and other officers of the project appointed by the Nagarjunasagar Control Board for the efficient discharge of their responsibilities.

5. The Chief Engineer in-charge of the canals will attend the meetings of the Control Board and participate in the discussions pertaining to matters coming within his purview.

6. The Nagarjunasagar Control Board Shall:

- (i) Scrutinise the estimate of the project, advise necessary modifications and recommend the estimate for administrative approval of the Government;
- (ii) examine and decide all proposals for preparation of designs and for obtaining expert advice;
- (iii) examine and approve from time to time the delegation of such powers, both technical and financial, as it may deem necessary for the efficient execution of the project, to the Chief Engineers, Superintending Engineers, Executive Engineers, and Sub-Divisional Officers engaged in the execution of the Project;
- (iv) examine and, where necessary, lay down specifications and schedule of rates for various classes of work with a view to sound and efficient execution of the project;
- (v) approve all sub-estimates and contracts, the cost of which exceeds the powers of sanction of the Chief Engineers; and
- (vi) approve all proposals for award of work or supplies on contract other than those based on public tenders and on detailed quantitative estimates and works allotted on work-order basis on schedule rates.

**NOTE (1).**—Where total financial liability under a contract is definitely ascertainable at the time of placing the contract and where the contract itself is the result of a public or limited call for tenders, prior submission of the proposals to the Control Board will not be necessary so long as the Contract is otherwise within the powers of sanction of Chief Engineers.

**NOTE (2).**—This will not affect the powers delegated from time to time to the Chief Engineers, Superintending Engineers, Executive Engineers, and Sub-Divisional Officers.

- (vii) Frame rules as to delegation of powers and procedure for the purpose of carrying out its business;
- (viii) decide the programme of construction of different parts of the project, keeping in view the funds available, the economics of the project, and the desirability of obtaining quick results;
- (ix) decide and recommend the steps for the development and utilisation of water;
- (x) decide the programme of resettlement of persons displaced as a result of the Nagarjunasagar works, scrutinise and approve the estimates of land reclamation and the expenditure incurred in resettlement and re-housing of the dispossessed persons including land acquisition and connected charges; and
- (xi) receive monthly progress reports both as to works and expenditure in a prescribed form from the Chief Engineers, review the progress of different units of the Project and lay down steps to be taken to expedite the work.

7. The meetings of the Control Board shall ordinarily be held once in every two months.

#### ORDER

Ordered that the Resolution be communicated to the Government of Andhra Pradesh, the several Ministries of the Government of India, the Comptroller and Auditor General of India, Prime Minister's Secretariat, Secretary to the President and the Planning Commission.

Ordered also that the Resolution be published in the Gazette of India and that the Andhra Pradesh Government be requested to publish it in the state Gazette for general information.
